MYSTERY OBJECTS TREASURE HUNT

First, look at each picture and guess what it might be. Write your guess next to each picture. Then, as you go through the Museum, look for each object. They're somewhere in the galleries! When you find them, read the labels to find out what they are really named. Hint: Sometimes the label may be a little away from the object. Record the name of the object and its use in California's past. How close was your guess?
